MEDICAL CENTER shall submit the Program's budgeted costs to DISTRICT on an annual basis prior to the beginning of the applicable budget year. The Annual Appropriation shall be set forth in the format of the annual budget labeled Schedule 5.1-1 herein incorporated by reference. DISTRICT and MEDICAL CENTER acknowledge that the Annual Appropriation for DISTRICT’s fiscal year during which this Agreement

In the event MEDICAL CENTER's expenditure of funds appropriated for the Program in a fiscal year is less than the amount of the Annual Appropriation for such fiscal year, MEDICAL CENTER shall return to DISTRICT such unexpended funds within thirty (30) days after the end of the fiscal year or, at the discretion of DISTRICT, such unexpended funds shall be applied as part of the Annual Appropriation for the succeeding fiscal year.

MEDICAL CENTER may petition DISTRICT for reimbursement costs of operation that exceed the Annual Appropriation which DISTRICT may or may not approve at the DISTRICT's sole discretion. The term of this Agreement shall continue as long as both Parties agree that the Program should continue. In the event either Party wishes to terminate its rights and obligations under this Agreement, it shall provide the other Party with two (2) years prior written notice and an opportunity for discussion regarding the future of the Program, including but not limited to termination of the Program.

VII. Representations of MEDICAL CENTER.

MEDICAL CENTER represents that it is a not-for-profit charitable organization skilled in the operation and management of a full-service general acute care hospital. Further, MEDICAL CENTER represents that the person or persons executing this Agreement for or on behalf of MEDICAL CENTER are authorized and empowered to enter into this Agreement for and on behalf of MEDICAL CENTER.

VIII. Representations of DISTRICT.

DISTRICT represents that the person or persons executing this Agreement for or on behalf of DISTRICT are authorized and empowered to enter into this Agreement for and on behalf of DISTRICT.

IX. Default.

The failure by either DISTRICT or MEDICAL CENTER to do or perform any substantial act required of such Party by the terms of this Agreement, the material breach of either Party of its covenants and representations made under this Agreement, or the failure of DISTRICT to make any payment required hereunder on or before its due date, time being of the essence, shall constitute a default of the obligations of such Party under this Agreement. If any proceedings in bankruptcy or insolvency are filed against MEDICAL CENTER or if any writ of attachment or writ of execution is levied upon MEDICAL CENTER and such proceedings or levies are not released or dismissed within ninety (90) days thereafter, or if MEDICAL CENTER makes an assignment for the benefit of creditors or voluntarily institutes

bankruptcy or insolvency proceedings, then any such act shall constitute a default on the part of MEDICAL CENTER under this Agreement.

X. Curing of Defaults.

Whenever MEDICAL CENTER or DISTRICT takes an action or fails to act and such action or failure to act constitutes a material default of the obligations of such Party under this Agreement, the Party not in default shall give the defaulting Party written notice thereof ("Notice of Default"). Such Notice of Default shall be set forth with specificity and describe in detail both the reasons why the non-defaulting Party believes that the defaulting Party has materially breached the terms and conditions of this Agreement and the proposed resolution for curing such default. The Party not in default shall grant the defaulting Party a period of ninety (90) days from and after receipt of such notice within which to cure such default. If the default specified is not the failure to pay money and it is not possible to correct such default within such ninety (90) day period, then such period shall be extended from time to time as long as the defaulting Party exercises and continues to exercise due diligence to remedy such default. The giving of such written notice of default and the granting of such period within which to cure such default shall be a condition precedent to the exercise of any other right or remedy by the Party not in default.

XI. Remedies.

In the event that either Party shall become in default of its obligations under this Agreement, and in the further event that such Party shall fail to cure such default within the time provided therefor by the provisions of Articles IX and X of this Agreement, then upon the expiration of the period provided therein for the curing of such default, the Party not then in default under this Agreement may, at its option, exercise such remedies as are available to it in either law or equity.

XII. Continuing Obligation to Keep DISTRICT and MEDICAL CENTER Informed.

The Parties agree that their relationship will be enhanced and the possibility of misunderstandings or disputes will be reduced if they communicate on a regular basis. In particular, MEDICAL CENTER acknowledges the importance in keeping DISTRICT informed relative to the scope of Services it is hereunder providing to Clinic patients. MEDICAL CENTER will promptly notify DISTRICT, and DISTRICT must approve, prior to implementing any significant change(s) in the scope of the Services for the Program. Additional contemplated changes in the scope of services provided by MEDICAL CENTER shall be discussed by the Collaborative Committee and then presented to DISTRICT for review and discussion and shall not be implemented without DISTRICT'S consent. DISTRICT, similarly, shall keep MEDICAL CENTER informed and shall provide notice and an opportunity for a meeting and discussion between the Parties to discuss any possible changes to future budget cycle funding with regard to the Program.

XIII. Books and Records.

During the Term of this Agreement, MEDICAL CENTER agrees:

- (a) To maintain books, records, and documents in accordance with standard accounting procedures and practices which reflect all Program payments hereunder received by MEDICAL CENTER from DISTRICT.
- (b) To maintain and provide access for review of records generated pursuant to this Agreement. Such records shall be maintained by MEDICAL CENTER for a period of not less than four (4) years subsequent to the termination of this Agreement.

XIV. Non-Waiver.

The failure of either Party to insist upon strict performance of any of the terms, conditions and covenants hereunder by the other shall not be deemed to be a waiver of any rights or remedies that such Party may have and shall not be deemed a waiver of any breach or default in the terms, conditions and covenants herein contained except as may be expressly waived by such Party in writing.

XV. Applicable Law, Venue and Remedies.

This Agreement shall be interpreted and construed in accordance with the Laws of Florida and venue for any litigation commenced relating to this Agreement shall be in Indian River County, Florida.

XVI. Amendments.

This Agreement may only be amended by a signed agreement of the Parties.

MEDICAL CENTER shall be prohibited from sub-contracting, selling, assigning, or otherwise transferring its interest in this Agreement to any other person, governmental entity, firm or corporation except upon prior written agreement of DISTRICT, such consent not to be reasonably withheld, Notwithstanding the foregoing, MEDICAL CENTER may assign this Agreement to a wholly owned non-profit subsidiary formed solely for the purposes of operating the Clinic.

XVIII. Severability.

In the event that any one or more of the provisions or the terms of this Agreement shall for any reason be held to be unenforceable in any respect, such unenforceability shall not affect any other provision of this Agreement, but this Agreement shall be construed as if such unenforceable provision had never been contained herein.

XIX. Sovereign Immunity.

This Agreement shall not be construed as constituting a waiver of any rights to sovereign immunity granted to DISTRICT under the Laws or Constitution of Florida. This Agreement shall not be construed as granting or extending the sovereign immunity to which DISTRICT is entitled to MEDICAL CENTER or any other third party.

XX. Notices.

All notices, including changes in the following addresses, required to be given pursuant to this Agreement shall be given by mail, certified or registered, and return receipt requested, or by personal delivery, evidenced by a receipt signed by the recipient of such personal delivery, and shall be effective when received.
